

The Scarecrow competition

As part of the 2010 Feast of the Senses Festival we are running a Scarecrow Competition. This competition is open to all within the region and we are particularly encouraging all schools in the area to participate and 'represent' their school.

There are certain criteria which must be adhered to, but other than these imagination is all that is needed.

It is anticipated that we will have a "Scarecrow Trail" through Innisfail in the lead-up to the Market Day Extravaganza on Sunday 28 March 2010. Completed Scarecrows will be displayed in different shop windows from completion date.

It is also anticipated that we will have a "Scarecrow Trail to Innisfail" with the more robust, weatherproof models that can be displayed at strategic points along the main highway into Innisfail .

Judging will be by panel, yet to be decided. There will also be a People's Choice award for those Scarecrows on the "Scarecrow Trail".

SCARECROW CRITERIA

- Scarecrows to be limited to 2m in height and approximately "person size", so that they will fit in shop windows
- Must be free standing
- Must fit into the "Ultra-Tropics" Theme, but not to include any perishable materials.
- Recycled materials are to be encouraged, but not restricted to.
- Each scarecrow to be given a name, that again fits with the "Ultra-Tropics" theme.
- Scarecrows should be ready for delivery to their allocated shop front by Friday 12 March.
- There will be prizes, including a People's Choice. Details to follow when known.....
- Transportation details also to follow. If the school is able to transport it would be great, but otherwise we will seek alternate methods.

Should you have any queries regarding the above, please contact Kirsty Densmore on mob 0413 010 625 or ph 4061 6881

Thank you

SCARECROW COMPETITION

ENTRY FORM

This is preliminary information only :
Further details to be forwarded closer to the final date

School: _____

Postal Address: _____
