2018 Cassowary Coast Event of the Year : Banana Split World Record

## Newsletter No 2 — 25 February 2018

The Activities on Saturday 24 March at Innisfail State College are shaping up to be very entertaining.

The **mini-Workshops** are in their final planning and it won't be long before bookings open.

There is still room for anyone who would like to hold a workshop—please give us a ring in the office or come and see us if you'd like to find out more.

The **Soils First Banana Games** are well timed—a week or so before the Commonwealth Games. Our games will have less pressure unless you are competing in the Tug of War—we can't guarantee there won't be some tension there...

But overall it will be a fun afternoon of activities for everyone taking part. We will publish games and times nearer to the event. Registration will be on the day

The **Bananathon Challenge** has moved to the Australian Bananas Market Day Extravaganza—more next time.

Talking of *Australian Bananas Market Day*... we have some new and exciting things happening. Our entertainment stage sponsored by the MAMS Groups has moved to Rankin St and will host some fabulous local talent—make sure you stop by.

And finally, Edith Street will come alive for children. The centre of the road will be a mecca for toddlers to teenagers, with some amazing activities planned. Tong, the fruit carver will be there and some very exciting art projects are on the radar.
